BASED IN

Linz, Austria & Berlin, Germany

LANGUAGES

German · English

Antonin is a trained graphic designer, illustrator, audiovisual artist and filmmaker. Born in Vienna he now lives in Linz and Berlin and works international as a freelance director, image designer and editor. The main focus of his artistic work, lies in the visualization of commercials, viral films and music videos. He also successfully creates image and brand films for globally operating companies. No matter how diverse or challenging the project is, Antonin is sure to deliver emotional and entertaining results. Many years of experience with various film productions and cooperations with numerous European filmmakers and productions not only expanded his repertoire. They also gave him the opportunity to contribute his creative ideas to various productions.
